## **FOR IMMEDIATE RELEASE**

### **BOILER 2022 to Feature Mobile Boiler Parking Lot**

**Vienna, VA – February 16, 2022** – ABMA is excited to announce that BOILER 2022 will feature a Mobile Boiler Parking Lot at the event.

On each day of the expo, attendees will have the opportunity to tour a variety of trailer-mounted and skid-mounted mobile boilers in the back parking lot of the Hyatt Regency Dallas from ABMA's Rental Boiler Group exhibiting at BOILER 2022.

Mobile Boilers can be an all-in-one boiler solution for a variety of needs. The obvious reason is for emergency use, but they are also used during yearly maintenance, seasonal increases and more.

"Our goal with BOILER 2022 was to offer a unique experience for our attendees and thinking outside the box with our Rental Group. attendees will have the opportunity to see a variety of mobile boiler units firsthand", stated Scott Lynch, ABMA President & CEO.

With two days of exhibition and insightful educational content, BOILER 2022 offers a unique occasion for the supply chain to connect with the leading manufacturers in the boiler industry and where engineers, operators, facility managers, heads of procurement, EPCs, technicians and consultants will learn about boiler room solutions and energy efficiency opportunities.

An All-Access registration enables an attendee to fully experience BOILER 2022 that includes the keynote session, educational sessions, 75+ boiler industry exhibitors in the expo hall, industry tours, social events and much, much more. Supply chain partners can also purchase one- and two-day expo only passes.

To register or for more details, visit [BOILER2022.com](http://BOILER2022.com) where you can also access a schedule of events and a current list of exhibiting companies.

*BOILER 2022 – ABMA Boiler Technology Conference & Expo takes place April 11-13, 2022, at the Hyatt Regency in Dallas, TX and will be the first and only event focused exclusively on the boiler supply chain. ### **About ABMA**

Since our founding in 1888, the American Boiler Manufacturers Association (ABMA) has advocated for the safe production and operation of boilers, facilitated advances

in energy efficiency, and provided solutions for our member companies. Throughout our history, the boiler industry and our member base have relied on the ABMA to lead the industry as it tackles challenges and embraces opportunities in our constantly evolving sector. Through participation with ABMA, our members are better informed, connected, and positioned to thrive in today's global boiler industry. To learn more, please visit [www.ABMA.com](http://www.ABMA.com).
